I_N_S_T_R_U_C_T_I_O_N_S:_

To apply the template⁽¹⁾ specify the years of copyright (separated by comma, not as a range), the legal names of the copyright holders, and the real names of the authors if different. Avoid adding text.

R_A_T_I_O_N_A_L_E:_

This licence is apt for any kind of work (such as source code, fonts, added to MirBSD. It has been drafted as universally usable equivalent of the "historic permission notice"⁽²⁾ adapted to European law because in some (droit d'auteur) countries authors cannot disclaim all liabilities. Compliance to OSD⁽³⁾ 1.9 and DFSG⁽⁴⁾ 1.1 is ensured and GPLv2 compatibility is asserted unless advertising clauses are used. OKD⁽⁵⁾ 1.0 conformance is

certified, the OKFN list(6) includes it. The MirOS Licence also qualifies as both a Free Software(7) and Free Documentation(8) licence by the FSF.

We believe you are not liable for work inserted which is intellectual property of third parties, if you were not aware of the fact, act appropriately as soon as you become aware of that problem, seek an amicable solution for all parties, and never knowingly distribute a work without being authorised to do so by its licensors.
